This Cortijo is located in a small hamlet just a few kms outside of Caniles. This is a decent sized town with shops, bars, banks and schools and its only 6km away from the much larger town of Baza. The property is in a rural location and has excellent views across the town of Caniles and would suit someone wanting a quiet life and maybe a horse lover as there is already some stables attached to the property. There is a nice swimming pool area with outdoor dining area again with excellent views. The house itself is 2 houses in total and ideal for B&B style accommodation or for maybe a large family.
