This deceptively large village house is situated in the quiet, friendly village of Somontin. It has all the amenities you'd expect to find for day to day living and has a superb communal pool which is open to the public in the summer months. The larger town of Olula del Rio is only 10 minutes away and has a lot more facilities and larger supermarkets etc. The house has recently been fully renovated to a high standard and is ready to move straight into. The ground floor comprises of a lounge, large fitted kitchen, dining room/ 3rd bedroom, large bathroom and a courtyard. The first floor has 2 bedrooms both with beamed ceilings, one en-suite and a nice roof terrace with views across the village. The house has 2 log burners and is installed for internet and telephone. Would suit a small family or couple wanting to live in a Spanish village with a good mixed community.
