Condado de Alhama is a unique area of 9.000.000 m2 and comprises several independent resorts within it. Each of these resorts will have their own identity and will benefit of all the exclusive services of Polaris Word Golf Resorts. At Condado de Alhama you will find three Jack Nicklaus Signature golf courses, two of which are Bears Best. It is only a fifteen minute drive from the Mazarron beach and Corvera International airport. Corvera International is due to open in 2010 and will be one of Spains largest airports. Meanwhile Murcia (San Javier)airport is just 25 minutes away and Alicante 45 minutes. Also with the area of Condado de Alhama, Cortijos will be found on a privileged corner of Condado. These villas featuring typical cortijo style architecture are set on a beautiful and private hillside with an independent entrance providing more privacy and security. Cortijos de Alhama will build 3 types of villas and 200 villas in total. Every villa will have a central private courtyard and will be built between a typical andalucian style and the cortijos homes in Murcia. The villas will have between 3 and 5 bedrooms, porches overlooking the gardens and all will have a private pool.
